

# Bilancio Chiaro - Prototype

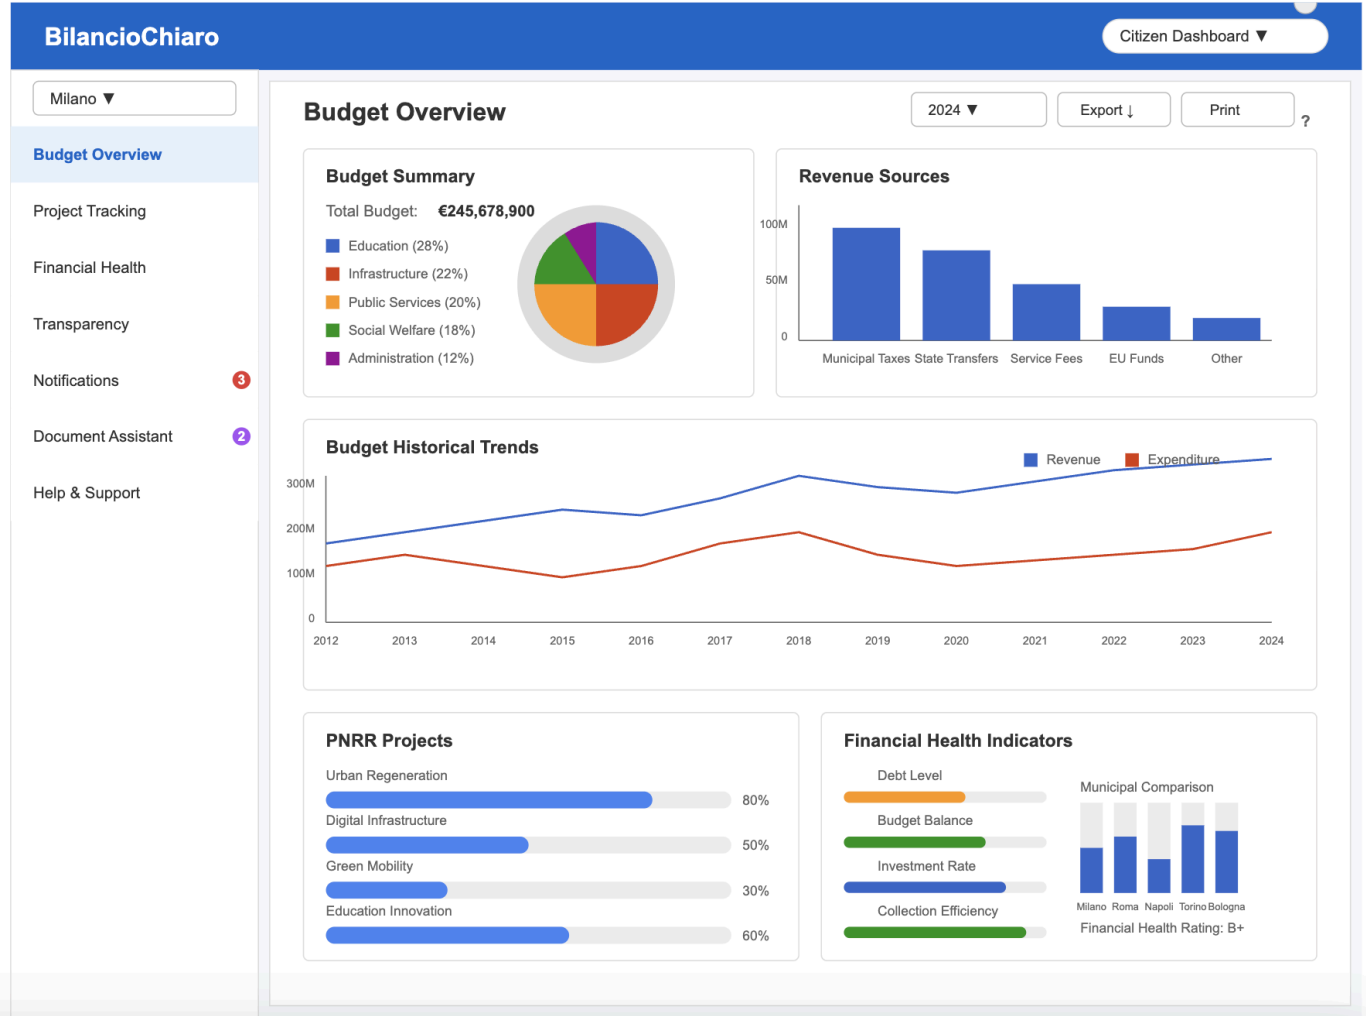

This document is an illustration of BilancioChiaro services. Full working demo available at:

[https://github.com/learnbydoingwithsteven/rag\\_chat\\_with\\_ds\\_streamlit?tab=readme-ov-file](https://github.com/learnbydoingwithsteven/rag_chat_with_ds_streamlit?tab=readme-ov-file)

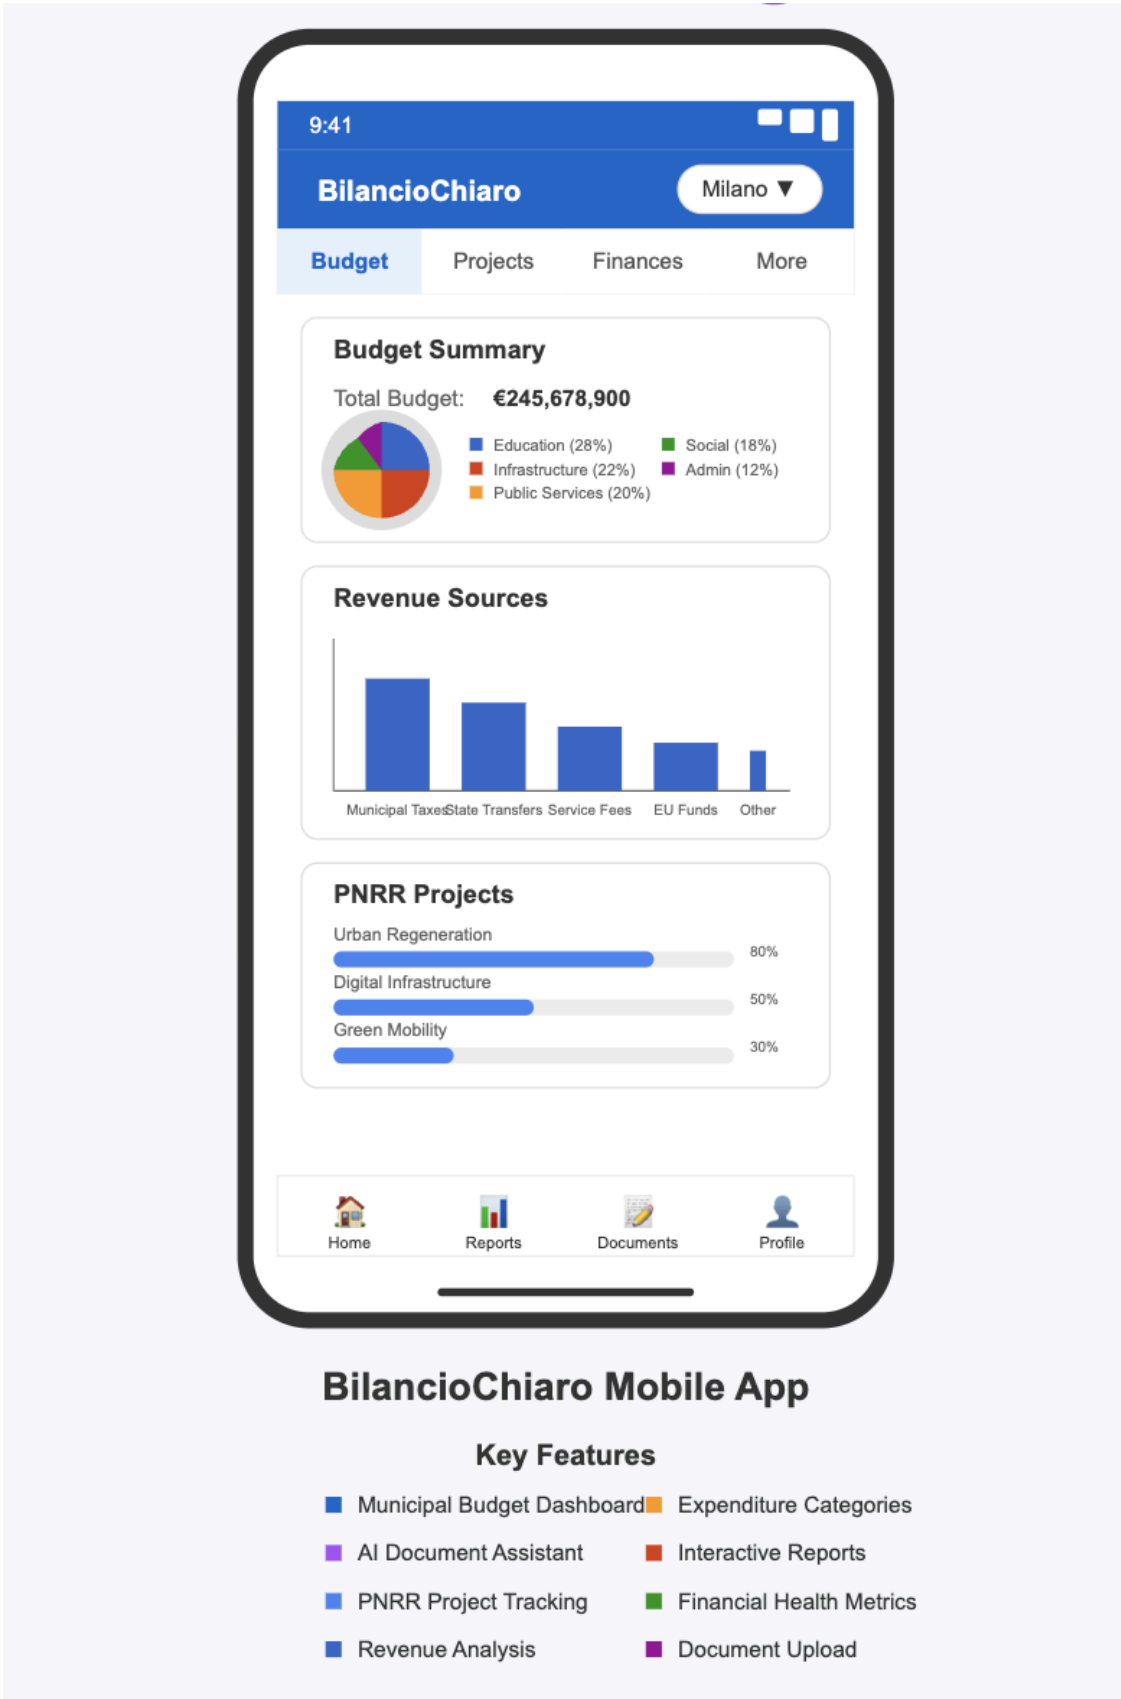

Prototype scheme:

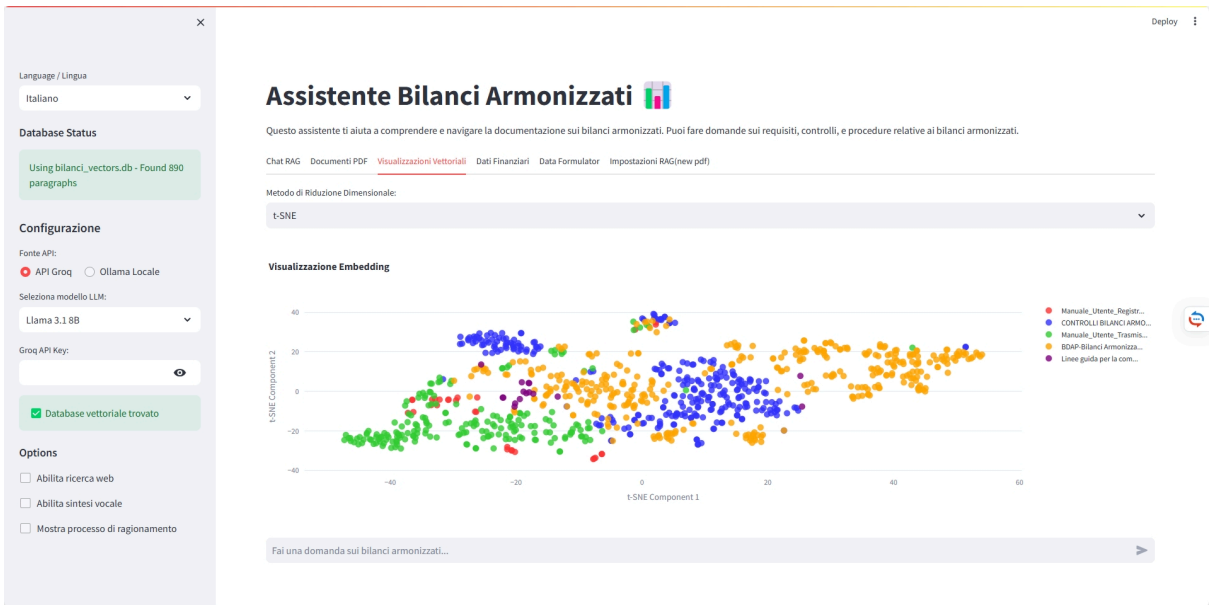

Prototype Architecture - Personal Computer :

Prototype Architecture - Mobile:

Prototype of Chatbot:

Note: RAG implementation with possibility to extend document base.

Prototype of Data Analysis Visualization:

Note: Initially with open source tool Data Formulatore, and flexible for expansion or alternative development.
